BIKEABILITY Courses at St Piran's 2017

Dear Parents

We have arranged cycling proficiency courses to be held during the Easter holidays. Each course will be run by qualified instructors from Cycle Experience and are subsidised by the local authority. The cost for each child is £5.

Each course will run over 2 days. If your child has previously attended they are still able to repeat the course if you would like them to.

Course 1:	Monday 3 April & Tuesday 4 April	between 9.30 – 12.30pm
Course 2:	Monday 3 April & Tuesday 4 April	between 1 – 4pm
Course 3:	Wednesday 5 April & Thursday 6 April	between 9.30 – 12.30pm
Course 4:	Wednesday 5 April & Thursday 6 April	between 1 – 4pm

The course will be covering level 1 and Level 2 cycling proficiency and will involve the children cycling on nearby roads under the supervision of the instructors. They each receive a certificate, which Mr Carroll will hand out in Assembly.

There are only 8 spaces available on each course. Please state below, which course you, would like to attend, in order of preference. If your child would like to attend the same course as one of their friends, please name the friend.

If we are over-subscribed then places will be offered on a first-come, first-served basis – Year 6 children will have priority over Year 5 children. Please respond via email bikeability@stpirans.co.uk, to secure your child's place and attach the booking form. Or, please send a note on e-mail and drop the booking form into the School Office.

CLOSING DATE: FRIDAY 17 MARCH

The booking form and FAQs are attached and both are available on the school website.

The charge of £5 per child will be added onto your school bill. "No shows" on the course have to be charged at £40 in accordance with the subsidised funding rules i.e. the training company cannot claim the subsidy on a 'no show'.

If you have any queries, please check the FAQs, or drop me an e-mail.

Many Thanks

Mrs. Sarah Osborne (Parent Co-ordinator)
