

ST PIRAN'S

Inspiring Confidence

MATCH REPORT

Date of Match 01/11/17	Sport and Opponents Hockey vs Lambrook	Team U10B
Result Lost 7-2	Coached by Mrs Cartwright	
<p>Our fixture against Lambrook was always going to be a challenge as, in the past, our opposition has proven themselves highly competitive. This was definitely the case. Lambrook attacked the game from the first whistle and we struggled to cope with their stick skills and their willingness to chase the ball and make it theirs. We had moments of good play, leading to a 2-2 scoreline at half time, despite Lambrook having multiple chances to score. In the second half we didn't really pick up our pace, despite knowing that we needed to want the ball and go and get it, in order to score!! Lambrook were too strong and the constant pressure on the goal resulted in a further 5 goals for them. As with any loss, it has given us much to work on and the girls will draw the positives from this.</p>
