

ST PIRAN'S

Inspiring Confidence

MATCH REPORT

Date of Match: Wednesday 1 st February	Sport and Opponents: Rugby v Papplewick	Team: U11A
Result: Lost 6-4	Coached by: Mr Robinson	
<p>After having had their last 3 matches cancelled due to frozen pitches, the boys were looking forward to finally getting a game of rugby, albeit against a side who had beaten us by about 8 or 9 tries in a warm up game before Christmas.</p> <p>An early conceded try did not start the game well, but seemed to be a switch on point for the boys, who then started to play some good rugby. At half time the score was 3 tries a piece, including the best try of the game, which sucked all of the opposition defence in before we spread the ball wide for an easy run in for Jake. Ethan got the team's other two tries.</p> <p>In the second half, Ethan managed to complete his hat-trick, but some sloppy play in the last 8 minutes gave Papplewick a couple of easy opportunities and they finished with a two try advantage. I was incredibly proud of the boys today, as they worked so hard and played superbly. All eleven boys worked together and supported each other and the plaudits from the opposition coach about their improvement were much deserved.</p> <p>Well done, boys; hard work next week with four teammates in South Africa!</p>
