

## MATCH REPORT

Date of Match: 1.2.16	Sport and Opponents: Rugby v Papplewick	Team: U11B
Result: Lost 5-1	Coached by: Mr. Dale	

With previous matches cancelled due to the weather would you believe that nearly half way through the term, this was the U11B's first match. It did take the boys a while to get going but we were better in the second half.

Our tackling was good taking down some big boys in Papplewick side, but what did let us down was the ability to support the runners and get good support at the rucks and mauls in good areas of the field allowing Papplewick to turn us over and win the ball on several occasions.

Lots of technical work on our rucking and match practice is needed but I could not fault the effort of the boys as they kept going right to the end against a strong physical Papplewick side and deserved their try and were unlucky not to have scored another towards the end.

Mr Dale
