Date of Match 1.2.17	Sport and Opponents Rugby vs Papplewick	Team U11 C
Result LOST 11-4	Coached by Mr Smith	
<p>This was a slightly disappointing result against a strong Papplewick side. The boys were outclassed and only a few showed the aptitude and determination to even compete. Papplewick won both halves and were far more dominant at tackling and running with the ball. Sadly only a few St Piran's boys attempted to tackle and tended to tackle to high on the opponents which meant they powered over the line.</p>
