

MATCH REPORT

Date of Match 1/2/2017	Sport and Opponents Netball vs Wellington Netball Tournament	Team U11A
Result Runners Up		Coached by Mrs Holmes
<p>On Wednesday the girls were excited about playing at the Wellington College Netball tournament. The girls were extremely organised by warming up and preparing themselves for the group matches.</p> <p>Within the group our first 3 matches were against Lambrook, Eagle House and Highfield. In these matches we played some lovely netball bringing the ball up the court nicely and scoring lots of goals giving us some good wins. Our final group game was against Yateley Manor who had also won all of their group matches. In this game we seemed a bit nervous the defence were making some good interceptions however our shooters were struggling to convert these to goals. This resulted in us losing the game.</p> <p>This then meant we had to play the winners of the other pool in the semi-final which was the Marist. It was a very close match in the first half going goal for goal. Our defence then stepped it up a level and managed to make some good interceptions which we then took to goal. This was a good game and a good victory.</p> <p>In the final we were up against Yateley Manor again who had beaten St Georges in their semi-final. We made a few tactical changes and this helped at the start and the match was close. However after half time we seemed to fatigue and they edged away.</p> <p>A great tournament and the girls should be thrilled with the progress they have made this year.</p>
