| Date of Match 1/2/2018 | Sport and Opponents Netball Festival Yateley Manor | Team U8A |
| Result Won 4 Drew 1 | | Coached by Mrs Holmes |
| <p>All the girls were very excited about their first netball festival. It was a very chilly afternoon so one of our main objectives was to stay warm. The tournament was a High-5 competition which was a bit different to how we normally play but it gives all the children the opportunity to rotate positions.</p> <p>All the girls played really well and were passing and moving into space. We played a range of schools and I was pleased to see how well the girls had improved since the start of term. The tournament was all about fun and participation and this could easily be seen by our girls. There were no winners - all the girls got medals. We did record the scores and I'm really pleased with the results of our matches.</p> <p>Well done girls.</p> | | |
