

MATCH REPORT

Date of Match: 1.3.17	Sport and Opponents: Rugby v Holme Grange	Team: U11B
Result: Lost 10-2	Coached by: Mr. Dale	
<p>As with the previous week, a sloppy start in the first half resulted in 3 tries down in the first 8 mins, costing us dearly and the boys were never competitive enough. We struggled to gain ground and get inside the opposition's half. Again at times we were slow to support runners and get to the breakdowns.</p> <p>After forgetting about the first half and putting it to the back of their minds we had more belief and the boys showed some spirit and competed much better in the second.</p> <p>Credit to the boys who dug deep in the second half. Remember boys, it's a game of two halves. Next week see if we can have a bright, positive start to the first half as we did in the second of this match and have two good competitive halves.</p> <p>Mr. Dale</p>
