## MATCH REPORT

<b>Date of Match</b> 1.3.17	<b>Sport and Opponents</b> Rugby vs Holme Grange	<b>Team</b> U11 C
<b>Result</b> Lost 9-2		<b>Coached by</b> Mr Smith
<p>This was another very tough match for the team playing against superior opposition. The majority of the boys did try and make a valiant effort to tackle some strong runners. We did manage a couple of good tries and even our rucking was of a reasonable standard but unless all the players are prepared to tackle then we can realistically not expect to win a match. Special mention to Jack Wardle who was man of the match and showed great determination and resilience.</p>
