

MATCH REPORT

Date of Match Wed 1st November	Sport and Opponents Hockey v Lambrook	Team U10A
Result Lost 2-1	Coached by Mrs. Robertson	
<p>The first loss of the season for the U10A girls. Unfortunately it was because Lambrook were switched on in the first 5 minutes and we were asleep, not because they were a better team. Lambrook scored both their goals in the first 5 minutes, making it very difficult for St Piran's to win the match.</p> <p>The goal St Piran's scored in the second half was brilliant. They passed the ball nicely using the width of the pitch on this occasion and a lovely cross into the D. It is shame they didn't do this the rest of the match. Instead they tended to try and drive the ball up the middle into congestion, which meant it was difficult to get it round that many players and would often lose possession.</p> <p>However well done to the whole team, you all tried really hard to win the game back. Hopefully we have learnt from our mistakes, making sure we start the match focused and also try to use the wings of the pitch when attacking and defending. Bring on the next game!</p>
