<p>It was nice for the boys to get a run out before Christmas and put into practice the things that we have been working on in training. Everybody contributed positively and it was excellent to come away with 2 wins.</p> <p>Tackle of the festival was made by Harry, with a try saving effort that took the opposition player out and into touch, meaning we also won the ball back.</p> <p>Against Papplewick Theo scored 2 tries and Cyrus got our third and against Holme Grange Harry and Theo both crossed the line.</p> <p>We have plenty to continue working on after Christmas, but for the first match of the season, this was a great start. Well done, boys!</p>
