

MATCH REPORT

Date of Match: 2.2.18	Sport and Opponents: Rugby v Papplewick	Team: U8A
Result: Won 3-2	Coached by: Mr. Dale	
<p>This was a very close match reflected by the score with both defences having good shape and working hard.</p> <p>In attack the boys played some nice flowing touch rugby and there were lots of positives with good passing, support work and running hard and straight when they had the ball gaining ground, (even passing when not tagged to keep the ball alive). This was something we didn't do well enough in the previous match and this probably was the difference in the two teams.</p> <p>We must still work on our shape and space when attacking especially from a free pass or restart as there were times we were still gathered around the player with the ball. However the team's awareness of space around and scanning when running is improving. Hopefully this is the platform now we can build on going forward into the rest of the term for the remaining fixtures.</p> <p>Well done!</p> <p>Mr. Dale</p>
