Inspiring Confidence

MATCH REPORT

Date of Match: 2nd February 2018	Sport and Opponents: Netball v Lambrook	Team: U8A
Result: Won 8-2	Coached by: Mr Ford	
<p>U8As vs Lambrook</p> <p>The U8A team ventured to Lambrook School for another 4 quarters of Netball. We started with a regular line-up which got us off to a good start. We then rotated each quarter to ensure everyone played attack, mid court and defence. To the girls' credit, it didn't matter what line-up we put on court, each player adapted well to their new positions. Lambrook stuck a similar line-up which is easier as players to settle in to. We went on to win 8-2. This indicates how well the girls played despite the rotations. I could single out players but really everyone plays their part well as a team – that is why our results have been strong so far. One of the best features of our play is our shooting accuracy. Our tight defence across the court made their attack hard work. Lambrook were a good team, particularly their defence, so this was a hard fought victory.</p>
