## MATCH REPORT

Date of Match: 2 <sup>nd</sup> February 2018	Sport and Opponents: Netball v Lambrook	Team: U8B
Result: Won 5-0	Coached by: Mrs Robertson	
<p>The girls played really well in their match against Lambrook. They were much stronger and were bringing the ball up the court nicely. Margherita De Dominicis and Olivia Davies in defence managed to gain loads of turn overs allowing Florence Good and Holly Saunders to give us a comfortable lead. The girls worked really hard even with a change of Centre player, however Francesca Hardiman played very well in this position. At half time we spoke about stepping in front of our players to help us to get some interceptions and the girls listened and did it well. Overall a great team performance from the U8A's again.</p> <p>Well done girls.</p>
