Inspiring Confidence

MATCH REPORT

Date of Match: Friday 02/02/18	Sport and Opponents: Rugby vs LVS	Team: U9 YELLOW
Result: Won 13-6	Mr Mike Smith	
<p>This was another impressive performance from the team against LVS school. The tackling in the first half especially was of a good standard and we must now maintain this throughout the whole match in the future. The boys found gaps in the LVS defence and exploited this well with some excellent running. LVS did have one very strong powerful runner and we must make sure that we always try and tackle as low as possible by getting his ankles together. The biggest positive was that the boys were starting to look and use their support players as opposed to just running on their won.</p>
