MATCH REPORT

Date of Match: 2nd February 2018	Sport and Opponents: Netball v Lambrook	Team: U9A
Result: Won 8-5	Coached by: Mrs Holmes	
<p>On Friday 2nd February the U9A Girls travelled to Lambrook. It was a very chilly afternoon and we started the match with a different formation.</p> <p>The courts at Lambrook seemed a bit smaller than ours and it was hard to see the lines. Our girls seemed to struggle with this and found it hard to find their rhythm. The game was a bit scrappy and we struggled to get the ball in the net. At half time we had a bit of a chat and changed some positions this seemed to help and the girls started to play the high standard of netball that they do normally. In the final quarter our usual flow was back and the girls were playing some lovely netball with shoots going in.</p> <p>Well done girls.</p> <p>Player of the match: Jessica Isbell</p>
