

MATCH REPORT

Date of Match 3/2/2017	Sport and Opponents Netball vs St Georges	Team U9A
Result Lost 7-4		Coached by Mrs Holmes
<p>The girls have been working really hard in training and have made outstanding progress. They were very excited to be playing St George's and started the game extremely strong, giving us a 3 goal lead. In the first half of the game we dominated possession and played some fantastic netball, passing the ball with precision and power. It was 4-1 to us at half term.</p> <p>Unfortunately the second half was a bit different. We struggled to find our rhythm and bring the ball up the court and St George's seemed to grow in confidence and make the most from our mistakes. The game was definitely a game of 2 halves and it's a shame on this occasion that we lost the game. However the girls should be thrilled with their progress and the first half of the match.</p> <p>Well done.</p> <p>Coaches Players: Mia Corbett</p>
