<p>The U10As have had a great start to the season with 2 great victories. In the match against Hoe Bridge we were a bit nervous and this was evident in the first innings when we seemed to be running ourselves out. However the girls did some brilliant fielding and managed to limit the scoring from Hoe Bridge. In the second innings we played it a bit safer when batting and scored some good rounders. Overall, a great win. Batter of the game was Caitlin Haslehurst and Fielder Millie Stebbings.</p> <p>In the match against Yateley, St Piran's started really strongly and had learnt valuable lessons from the previous match. The girls had a good first innings and scored some good rounders. When fielding the girls played a very sensible game and managed to limit the scoring of Yateley. The second innings was pretty much the same enabling St Piran's to gain control of the game. A great win, well done.</p> <p>Batter of the Game: Izzy Corsinie and Fielder: Caitlin Haslehurst</p>
