

MATCH REPORT

Date of Match: 3.2.17	Sport and Opponents: Rugby v Papplewick, and Daneshill	Team: U8A
Result: Daneshill Won 6-4 Papplewick Won 6-5	Coached by: Mr. Dale	
<p>Well done to the U8 team in the traingular fixture held at Papplewick School. We won both matches, each being both close and competitive.</p> <p>It was a cold damp afternoon and in the first game against Daneshill it took us a few minutes to get going as we made some unforced errors but the after this we started to play. Our lines of running, passing and support were a lot better from the previous week. In the second game against Papplewick we started brightly and in defence we made some very good tags.</p> <p>One thing we must work on for the next fixture is our focus and concentration from restarts both when in defence and attack spreading out, not being too bunched.</p> <p>Mr. Dale</p>
