

## MATCH REPORT

Date of Match: 3.3.17	Sport and Opponents: Rugby v Holme Grange	Team: U8A
Result: Drew 10-10	Coached by: Mr. Dale	
<p>This was a very close match reflected by the score and a draw was a fair result. A game of 2 halves with Holme Grange just edging the first half and St. Piran's the second half.</p> <p>Not having a game for a few weeks meant our match sharpness was not quite there and the boys started slowly. Our defensive play was good but we were just lacking in attack in the first half. The support of the runner with ball at times was not as good as it has been. We were either too close or receiving the ball standing still and, at times, forced to run across the pitch rather than forward.</p> <p>In the second half the boys settled down; our concentration from restarts both in defence and attack spreading out was much better. Our lines of running improved gaining more ground leading to some good tries.</p> <p>Mr. Dale</p>
