Inspiring Confidence

## MATCH REPORT

Date of Match: Friday 3rd March	Sport and Opponents Rugby vs Holme Grange	Team: U9 C MIX
Result: 10-3 WIN	Coached by: Mr M SMITH	
<p>This was very a dominant performance from the team against a slightly weaker team. St Piran's passed the ball well and tackled too high at times, so this is something that we can work on next week. All of the boys showed a good deal of determination and commitment shown which was very pleasing to see. The areas that I asked the boys to work on at half time was our defensive line and running onto the ball from a free pass situation which we did improve upon. All of the boys seemed to enjoy the match and can feel proud of their efforts.</p>
