

ST PIRAN'S

Inspiring Confidence

MATCH REPORT

Date of Match: Wednesday 3rd May	Sport and Opponents: Cricket vs Elstree School	Team: U10 B
Result: Won by 5 wickets	Coached by: Mr M SMITH	
<p>This was a very impressive and encouraging performance from the team against decent opposition. The boys have had a limited chance to practice and so I was pleasantly surprised with their efforts and performance levels. The boys bowled pretty well with some good consistent deliveries bowled and pleasing wicket keeping. The fielding was generally ok, but we can still work and improve on this for future matches. Chasing 104 runs to win, all of the boys batted with real enthusiasm and were positive when running between the wickets. We enjoyed some fruitful partnerships and reached the total with just over an over to spare.</p> <p>Well done to all of the boys for their efforts.</p>
