

ST PIRAN'S

Inspiring Confidence

MATCH REPORT

Date of Match: 04.07.17	Opponents: VS Chesham Prep	Team: U9A
Result: Lost 21 ½ - 14	Coached by: Mrs Cartwright	
<p>The girls started well, scoring 6 rounders in their first innings, with some making some good decisions to run on when they saw Chesham had misfielded the ball. More could have been scored however, we were very hesitant to run on, missing out on a couple of full rounders because of this. Our first innings of fielding was challenging as Chesham could hit well and took their chances. In the second innings we managed to score more rounders, putting us in with a chance to win the game. Sadly, we switched off in the field and just could not react quickly enough to pick up the ball and get it to base.</p> <p>Despite the mix of results this season, there have been improvements made and with continued focus and dedication, this team have the potential to do well.</p>
