

## MATCH REPORT

<b>Date of Match</b> 4.10.17	<b>Sport and Opponents</b> Football: Papplewick and Daneshill	<b>Team</b> U10B
<b>Result</b> Papplewick – Drew 1-1 Daneshill – Won 2-0		<b>Coached by</b> Mr. Dale
<p>Both games were very evenly matched and could have gone either way.</p> <p>In the first match against Papplewick the team started very enthusiastically closing down the opposing players. We took the lead against the run of play on the break but a lapse in concentration from a throw led to Papplewick equalising. From this moment on neither team could find a breakthrough for a winning goal as both teams were resilient and defended well. A draw was a fair result.</p> <p>The second match against Daneshill there were moments in the game where each team had opportunities and were on top. The opportunities St. Piran's had we took well. We had other good chances to score a few more goals with a couple of shots just going wide of the Daneshill goal but Daneshill had chances of their own and two good saves from Oscar Scott in the St. Piran's goal meant we deserved our win.</p> <p>Mr. Dale</p>
