<p>Abingdon</p> <p>This was the first time that St. Piran's have entered this competition. The boys were fortunate as the entry for their group was small. All the competitors have to perform a set routine, which included a back landing with half twist to feet. This move can be tricky and was the down fall of a few competitors. The second 10 bounce routine is a 'voluntary' and can include more difficult moves, although many children perform the same routine again. To do well you need to be consistent and perform two clean routines.</p> <p>RESULTS:</p> <p>U11 BOYS NOVICE INDIVIDUAL PLACES: Arlo Challis: 2nd Theo Sherwood -Rogers: 5th John Caen : 6th Luke Harden: 7th (15 competitors)</p> <p>The boys performed well and deserved their position of 1st place in the team competition.</p> <p>U11 GIRLS NOVICE INDIVIDUAL PLACES: Marta Mirone: 7th Caitlin Haslehurst: 8th Martha Goodridge: 21st Helena Kennedy: 33rd Millie Stebbings: 40th Lili Mathews: 46th (85 competitors)</p> <p>Congratulations to Marta, Caitlin and Martha who competed both routines equally well. Helena Kennedy bounced beautifully in the first round gaining high marks and the first part of her second routine was outstanding, but unfortunately she was unable to complete her routine well after the back landing.</p> <p>In the team competition, Marta, Lili, Helena and Caitlin were thrilled to win a medal for being 4th out of the 9 teams competing.</p> <p>As in any competition there are some disappointments, but overall there were some great results. I cannot commend enough the support that St. Piran's children gave one another and the generous support of the parents. Thanks also to Mrs. Holmes.</p> <p>Mrs. Fricker</p>
