Inspiring Confidence

MATCH REPORT

Date of Match: Wednesday 5th July	Sport and Opponents: Cricket vs St Edward's	Team: U10 A
Result: Won by 5 wickets	Coached by: Mr M Smith	
<p>This was a good solid performance from the team against older opposition. St Edwards won the toss and lost two wickets in the first two overs but did gradually start to form a couple of reasonable partnerships. The visitors never consistently got over 4-5 runs an over and we restricted their score to 88 runs off 15 overs with every boy bowling at least one over.</p> <p>Despite the loss of an early wicket Joshua and James Isbell bat very sensibly and progressed the score nicely scoring at over 7 runs an over. Both batsmen eventually retired having past 25 runs and despite the injury to Saunders and a late flurry from Coe were sensibly assured to the target by Alfie and Caspar. A nice victory to end the season!</p>
