MATCH REPORT

Date of Match: Thursday 5 th October	Sport and Opponents: Football ISFA Regional Competition	Team: U11A
Result: Won the Tournament!		Coached by: Mr Smith
<p>Yes we won!!!!!!!!!!!!!! We did it!!!!!!</p> <p>This was a really enjoyable afternoon competing with other prep schools from the Berks, Bucks, Oxon region. Our opening match we beat St George's school quite convincingly 2-0 (Isbell, Walker) then drew 1-1 (Isbell) with the Oratory Prep School before beating Ludgrove 2-0 (Isbell, Agar).</p> <p>Having therefore topped the group we played the side in 4th place from another group and comfortably beat Thorpe House 5-1 (Agar 2, Woodford, Walker, Isbell). This then set up a quarter final against the host school Elstree and after a physical match we just edged the game 1-0 (Isbell). Against a much fancied Lambrook side in the semi-final we played some really good football but struggled to convert our dominance, before fortunately Hamish Walker scored at the far post with seconds remaining to surely book a place in the finals. From virtually the last kick off the game Lambrook scored directly from the kick off to send the game into penalties and more drama and nerves. St Piran's scored 4 very good penalties in the shootout and Casper saved a Lambrook one during sudden death, which ensured our route to the final against Cothill. The final turned out to be fairly comfortable with 3 pretty special goals (Agar, Isbell 2) and therefore winning the trophy and booking a place at the National competition in April. Well done to all of the boys for their effort, application and desire in all of the matches.</p>
