## MATCH REPORT

Date of Match: Friday 6 <sup>th</sup> October 2017	Sport and Opponents: Football v St. Neot's and St. George's	Team: U8 Red
Result: St. Neot's – Won 1-0 St. George's – Won 2-0	Coached by: Mr Robinson	
<p>The boys played very well this week, holding their positions on the field a bit better than last week, meaning that we had lots more space to play in.</p> <p>The first game against St. Neot's saw us have lots of chances and eventually George managed to put one of them away. We were strong in defence and got the ball back up the field quickly, meaning we were attacking for the majority of the game.</p> <p>St. George's gave us a bit more of a test, tackling harder and getting up the pitch more. The boys were really in the swing of it by this game and played very well. George got both of the goals, but they were very much team efforts, which was great to see.</p> <p>Well done, boys; things are improving all the time. Keep up the hard work and team effort!</p>
