## MATCH REPORT

Date of Match: Wednesday 6 <sup>th</sup> December	Sport and Opponents: Rugby v Papplewick	Team: U10A
Result: Drew 6-6	Coached by: Mr Robinson	
<p>This was our first chance to put into practice what we have been working on in training, but against a side who had already had some match time.</p> <p>We played very positively throughout and were unlucky to be a try down at half time; Joe going in in the corner to finish off a good attack and Oliver bundling through and continuing to run as the tackles fell off him.</p> <p>The second half saw us come out strongly and an unfortunate disallowed try from John was the start of a hard half of rugby. However, we soon had a two try lead with good scores from Archie, Oliver and Joe. Papplewick then seemed to find a second wind and came back at us hard and our tackling failed us on a few occasions.</p> <p>A hat-trick score for Joe put us back on top but Papplewick were able to get a drawing score before the end. This was a great start for the season and is promising for what we have still to come. Well done, boys; I hope the bumps and bruises heal soon!</p>
