

ST PIRAN'S

Inspiring Confidence

MATCH REPORT

Date of Match: Wednesday 7th June	Sport and Opponents: Cricket vs St Andrew's	Team: Colts B
Result: Lost by 8 runs	Coached by: Mr M SMITH	
<p>This was a very close and exciting match that went all the way into the last over with either side still able to win. St Andrew's batted first and got off to a positive start with some big hits that kept the score board moving along. The bowling was generally ok but slightly short in length which allowed the batsmen to pull the ball to the leg side boundary.</p> <p>St Piran's set about reaching the 100 run target slightly slowly as the bowling was generally straight and the opposition fielded well. St Piran's consistently lost wickets throughout our innings but Jake Reeve did bat very well and punished the bad ball hitting it to the boundary. With four overs remaining we needed just 10 runs, but sadly only managed two runs whilst also losing 3 wickets in the process.</p>
