| <p>A really exciting and competitive game ended in a narrow 5-4 victory. The boys were excellent in attack and defence. They were superior in the ruck which ended up being a defining factor in the game. Our tackling was also committed against a physically larger group of players. Every player contributed to the victory but once again special mention must go to Cailan Cottam who tackling throughout inspired the boys. The running of Sam Wolfenden, Oscar Scott and Seb Canton was also excellent throughout with Liam Boyle winning a large percentage of rucks.</p> <p>Well done boys.</p> |   |                    |
