

Swimming Match Report

Date of Match: 7 March	Opponents: AWAY St. John's Beaumont	Team: Years 5 & 6
RESULT: LOST		Coached by: AB & SE

We travelled to St. John's Beaumont with our Year 5 and Year 6 boys.

The racing was tough and we were up against some fast and some older swimmers. We were well beaten in the end but I would like to say how proud I was of our boys.

There were some outstanding swims but more importantly for me, was their behaviour going to, during and after the gala. They really were a credit to themselves, to St. Piran's School and to you all as their parents.

Ben Phillips was outstanding and clearly the fastest swimmer on the day out of everyone! Luke Harden continues to improve. Louis Young and Charlie Badman have never swum so well! Owen Wilkinson, new to the Swimming Team, gave it his all. Bradley Read competed in butterfly extremely well. Joshua Oliver-Willwong also stood out in his races. Zac Lloyd did well in his backstroke event. Jaime and Hamish continue to impress me with their determination. Our consistently hard working and very helpful swimmers on the day were Dilsher and Theo. Swimming Captains were great 😊

All in all I left feeling that our boys had some great swims and that everyone had enjoyed taking part. Our parents who come and support, make events like this such a pleasure to organise. Thank you to everyone who came.

Mrs. Burnage
