

## MATCH REPORT

<b>Date of Match</b> 7/12/2016	<b>Sport and Opponents</b> Netball vs The Abbey	<b>Team</b> U11A
<b>Result</b> Won 13-3		<b>Coached by</b> Mrs Holmes
<p>It was a late start for our match against the Abbey which enabled us to do a bit of training at school before the fixture. This really helped us to work on a few key areas. When it came to the match the girls were very focused and started playing well but a little hesitant. This made the first quarter very equal and the score line reflected that. After a quick chat and encouraging the girls to want the ball, they stepped up their game. Throughout the rest of the match they demonstrated some lovely dodging, interceptions and great shooting. All these skills helped us to start taking a hold of the game and gently pull away. This then enabled us to switch people around and try different positions. The girls need the ability to adapt as in tournaments the girls will need to be versatile. Well done girls, a great win.</p> <p>Girl of the Game: Helena Kennedy Coaches Girl of the Game: Priya Palmer</p>
