Date of Match 07/12/2016	Sport and Opponents Netball vs The Abbey	Team U11B
Result WON 3-2		Coached by Mrs Fricker
<p>The absence of our G.A. for this match gave us great concern, but our team remained positive. Emma Turrell kindly played in the position and although not a shooter managed to get the ball into the circle effectively. Kiran (G.S) was marked by a 'Giant Goal Keeper' from the Abbey, but finally shot a goal for us, taking the score to 1-1 by half time. The Abbey School showed some lovely attacking skills, often moving the ball fluently up the court but rarely finishing with a goal. However, St. Piran's were determined and although much of the netball was quite sloppy, they persevered and tried really hard with their defending. In the final quarter Lyra Browning played Goal Attack, which was not her usual position. In the last 2 minutes of the game she had an opportunity to shoot from a reasonable distance away and scored a winning goal!</p> <p>Captain: Pia Andrew Girl of the Game: Kiran Singh</p>
