

MATCH REPORT

Date of Match 08.02.17	Sport and Opponents Netball vs Lambrook	Team U10A
Result WON 14-6		Coached by Mrs Cartwright
<p>The U10As put in another dominant performance against Lambrook this week. Despite the cold and some freezing fingers, they demonstrated their strength from the first whistle. It wasn't a pretty game, with many of the girls dropping the ball, contacting and being called for footwork but the weather conditions did not help. At half time we were 7 – 0 up so we made some changes, to even out the game and make it more of a contest. Once again this shows the strength and depth of this U10 squad as each player is willing to play any position and give it their all. Lambrook showed some determination and clawed back some goals to put some pressure on St Piran's. Despite this the final score was a convincing 14-6 win.</p> <p>Players' player of the Game: Martha Goodridge Coach's player of the game: Millie Stebbings</p>
