

MATCH REPORT

Date of Match: 8.3.17	Sport and Opponents: Rugby v Bishopsgate	Team: U11B
Result: Lost 7-4	Coached by: Mr. Dale	
<p>A disappointing result in a game we could have got more from. Unlike previous weeks, the boys started brightly in the first half tackling well, getting the ball out wide through the hands and we were leading 3 tries to 1 at half time. All the boys had to do was take the first half performance into the second and the result would have been more positive.</p> <p>In the second half for some reason the boys shot themselves in the foot and switched off. We were never competitive enough physically and mentally like we were in the first half. Loss of concentration, decision making, lack of tackling and too many missed tackles was our downfall. We never got the ball out wide and held onto the ball for too long. However lack of fitness may have been a key.</p> <p>Can we please have a good performance in both halves next week, boys, and improve on the technical and a tactical points which have been discussed and will be worked on in future games lessons.</p> <p>Mr. Dale</p>
