

MATCH REPORT

Date of Match 8.03.17	Sport and Opponents Rugby vs Bishopsgate	Team U11 C
Result LOST 11-5		Coached by Mr Smith
<p>This was a much more spirited performance from the team despite falling slightly short of quality again. The boys showed more aptitude and determination to compete for the ball and tackling their opposite number. Bishopsgate won both halves and were good at running with the ball, which will give the team things to work upon when we play them in a few weeks' time. We did score 5 decent tries and there were definitely positive signs for next week.</p>
