- A great afternoon of swimming producing some great times. I was delighted with your performances on the day.
- I don't want to single out any particular swimmers as I felt you all gave 100% effort and commitment on the day and I can never ask for more than that 😊 Thank you to everyone who took part, there was a lot expected of you and I was very proud of you all both in the pool and out!
- I would like to reiterate and say how well behaved you all were. Every single one of you! You were great on poolside during the event and you even managed to keep quiet for the start of the races. There was a lot of waiting around required as you prepared for your races and you managed to remain focused.
- All the times have now been put forward for consideration for the finals in June. All our swimmers competed without being disqualified which is itself a huge achievement.
