

## MATCH REPORT

<b>Date of Match</b> 9/12/2016	<b>Sport and Opponents</b> Netball vs St George's	<b>Team</b> U9A
<b>Result</b> Lost 9-3		<b>Coached by</b> Mrs Holmes
<p>The girls were very excited about the match against St George's and were looking forward to playing indoors. Once again unfortunately we got off to a bit of a slow start and St George's took advantage of this and managed to score a few goals. After a few changes the St Piran's girls were like a different team in the second half. They played much better with some good passing up the court and great interceptions in defence. The second half the game was going goal for goal and we actually drew the game. Unfortunately due to them scoring a few in the first half we unfortunately lost the match. The girls should be really proud with how they have played in both of their matches this season. We have started off with playing some very good netball schools who play two terms of the sport. So they shouldn't feel down with the results. A great start to the season and lots to work on.</p> <p>Coaches Players: Jasmine Elsdon and Evie White</p>
