Inspiring Confidence

## MATCH REPORT

Date of Match: Friday 9 <sup>th</sup> March 2018	Sport and Opponents: Netball V St. Andrew's U9Bs	Team: U8 B
Result: Won 7-3	Coached by: Mrs. Robertson	
<p>St. Piran's had played St. Andrew's U8B team earlier in the season and won comfortably. St. Andrew's U9Bs were quite tall and our girls soon saw the importance of driving into space and ensuring that they were not behind their opponent. The first quarter was quite even, but we were up 3 goals to 1. St Andrew's linked more passes together in the second quarter and scored twice. At 3 goals all in the third quarter, St. Andrew's had several shooting opportunities but failed to score. Florence Good did particularly well as Goal Attack, showing good movement, in and around the circle and accurate shooting. Holly Saunders scored 2 goals during the match. St Piran's defence, Margherita De Dominicis and Olivia Davies made some interceptions and moved the ball nicely to the attack. Our team were focused and worked hard together for this win. Well done also to Meribelle Hayward, Sophia Phelps and Francesca Hardiman.</p> <p>Captain: Meribelle Hayward Coaches's Players: Francesca Hardiman and Florence Good.</p> <p>Mrs. Fricker</p>
