<p>Firstly I'd like to say a big thank you to Sam Brasher & Kieran Clayton who volunteered to do a half each and play for the opposition (who only had 5 players). This meant on a very cold, wet day all the children would get 30mins of rugby. Kieran not only got 'man of the match' but proved the difference between the teams, with St. Piran's going into half time 4-3 up, then Kieran switched to St. Andrew's and they won 8-5. Henry Jackson also played well scoring 5 tries.</p> <p>All players contributed really well and have come along nicely throughout the season. Well done, boys. SB</p>
