MATCH REPORT

Date of Match: 9 May 2017	Sport and Opponents: Swimming V LAMBROOK	Team: U7, U8 and U9
Result: LOST 135 V 203		Coached by: AB
<p>The Lambrook pool is brand new and is 25 metres long, so this was particularly tough for our younger swimmers who are only used to swimming 20 metres. There were some great swims and lots of effort from our swimmers but Lambrook were stronger throughout.</p> <p>All the children can be proud of their efforts on the night. In particular, our Year 2 swimmers had their first ever gala. Lambrook were more experienced than we were but we did our best and had lots of fun. The pizza after swimming was very welcome and the children behaved beautifully both in and out of the pool. Lambrook staff mentioned to me what a pleasure it is to have St. Piran's swimmers come to compete.</p> <p>Race winners on the night were Jake Smith and Meribelle Hayward from Year 2. Will Andrew from Year 3. Will Tyrrell, John Caen and Johnathan Ireland from Year 4.</p> <p>Our best efforts were in the freestyle relays. Maybe it took us a while to get used to a new pool but we were more competitive in these events and we came out even on scores. Well done 😊</p> <p>There was so much support of these children from our parents. Huge thanks to Mrs. Warman and Mr. Dale for their help and also to Evie Hayward from Year 6.</p> <p style="text-align: center;"><i>Mrs. Burnage</i></p>
