<p>The boys played very well and deserved to keep their unbeaten record this term intact. Superb bowling by Thomas Rowe, helped set the standard. Kees got our only wicket of the game and Nick also bowled well. However we did give them most of their runs through no balls and wides, so we will continue to work on our bowling, as the opposition only scored 11 runs themselves out of the 85. St. Piran's scored 53 of their runs; (the rest were wides) great partnership and batting from Nick and Lachlan to score 36 runs between them. Overall great team work and some good fielding. Very well done! SB</p>
