MATCH REPORT

Date of Match: Oct 10th	Sport and Opponents: Hockey v Chesham Prep	Team: U9A
Result: Won 8-2	Coached by: DT	
<p>A really impressive performance from the girls especially in the second half when they scored 6 goals. The girls played with real pace and energy and scored some very good goals. Some of the passing was a little weak at times and the movement off the ball could have been better. Nevertheless the overall performance was very pleasing and the team are clearly moving in the right direction.</p> <p>Girl of the game: Issy Fuggle</p>
