

## MATCH REPORT

<b>Date of Match</b> 10.11.17	<b>Sport and Opponents</b> Football: Papplewick	<b>Team</b> U8Red
<b>Result</b> Lost 2-1		<b>Coached by</b> Mr. Dale
<p>The score reflected what was a very close, entertaining and competitive match and a pleasing display of football from the U8Red team who had the majority of possession.</p> <p>This game showed two teams that tried to pass the ball on the floor and move into space and we created some good chances.</p> <p>Despite our possession Papplewick took the lead through a deflected shot and then just before half time they extended their lead against the run of play.</p> <p>In the second half the St. Piran's put more pressure on Papplewick and showed great character to come back into the game with a good team goal. Having got back into the game we looked the stronger team and with all our hard work St. Piran's were unlucky not to have equalised.</p> <p>The Papplewick goal keeper made some good saves to keep them in the game and in the last 5 minutes we created good chances but Papplewick's resilience just edged them to victory.</p> <p>The result may have been disappointing for the boys but sometimes it is not always about the result it is how they play and develop as a team. At the moment the team are making good progress and despite a defeat this was probably the best we have played this season.</p> <p>Well done!</p> <p>Mr. Dale</p>
