## MATCH REPORT

Date of Match: Friday 10 <sup>th</sup> November 2017	Sport and Opponents: Football v Papplewick	Team: U8 Red
Result: Lost 2-1	Coached by: Mr Robinson	
<p>It has been quite a while since our last match and this showed a little in our team play from the start. We were a little slow to get started and Papplewick took advantage of the slope working up a 2-0 lead by half time.</p> <p>The second half saw us getting back into the game and beginning to play more as a team and work for each other. We continued to batter the Papplewick defence for the entirety of the half and were rewarded with a great goal from Max, unfortunately, despite our best efforts, that was all we could manage.</p> <p>Wee done, boys; last match against Bishopsgate next week. Let's try and end on a high!</p>
