<p>This was always going to be a hard game, as they have been beating their opponents by large margins, so we had to be at our best to even compete, and from the start the boys gave 110%. We deservedly took the lead through a trade mark Harry Millard goal, working hard to close down defenders, hassle and running off others. Lovely finish into the bottom left hand corner as we look at the goal. They hit back and at half time it was 1-1.</p> <p>The first time Papplewick had ever been behind, and then level at half time. We continued to hold them, frustrate them with superb marking, tackling and pure hard work, and never give up attitude for 25 mins, until they finally got the second goal which they celebrated like they had won the World Cup (as they knew they were in a battle)! We had chances and really pushed them and if we had taken some of the chances it could have been a different story.</p> <p>On the whole we deserved much more and probably the best we played all season. Joe Carter was man of the match, absolutely on fire. I would like to end by saying how proud I am from their display today, and they have been an absolute pleasure to work with.</p> <p>Thank you to the parents for your support - it means so much to the children. Superb performance!</p>
