MATCH REPORT

Date of Match 11/10/17	Sport and Opponents Hockey vs Chesham Prep	Team U8B
Result Won 2-1	Coached by Mrs Holmes	
<p>The girls were very excited about their home match against Chesham Prep. The game started well and both teams were working hard to get the ball up and the pitch. St Piran's defence was very strong and was making it difficult for Chesham to score. This being said they did manage to take the lead and were winning 1-0 at half term. We then had a little talk at half time and discussed following our shoots. In the second half we had the ball more and created a lot of goal scoring chances. We managed to score 2 goals meaning that we won the match 2-1.</p> <p>Well done.</p> <p>Girl of the Game: Aniela Batterberry</p>
