MATCH REPORT

Date of Match 11/10/2017	Sport and Opponents Hockey vs Chesham Prep	Team U11B
Results LOST 3-1 WON 2-0		Coached by Mrs Holmes
<p>The girls were looking forward to playing Chesham Prep on Wednesday. The B team were playing 2 games one against Chesham Preps A team and the other against their B team.</p> <p>In the first match against Chesham Prep As we were a bit slow to get started and they scored 2 early goals. We knew this would be a tough match, however once the girls had settled they started playing some really nice hockey and the match was a lot more even. In the 2nd half when we explained to the girls about being more active on the pitch and using the wings to dribble the ball up it was a very competitive game. A good result and the girls should be pleased.</p> <p>Against Chesham B team the girls continued with their strong play from the match before and had the majority of the possession. We were able to clear the ball from defence really well and made it hard for Chesham to get into the D. In attack we created a lot of chances and managed to convert 2 of these into goals. All the girls played really well and worked hard in both games.</p> <p>Well done.</p>
