<p>The U8s played a triangular at Twickenham Prep with Bishopsgate on Friday and overall it was a very pleasing afternoon for the U8s as they won all their matches (not that it is all about winning!). The improvement that these girls have made already is fantastic and this was demonstrated at the fixture. Their boundless energy and enthusiasm meant that they gave everything to the game. Both teams could do very well this season as they have a lot of pupils who can hit the ball making it much easier to score.</p> <p>All children wanted to contribute and it was a pleasure to see them use the skills learnt in games lessons with success. Well done!</p>
